

# Becca Rice

I grew up in the Eastlake/ Willowick area with my older brother. I met my partner, Jeff, in 2003. We were a year apart, attended the same middle and high school, our brothers knew each other, and lived 2 miles apart our whole lives but didn't meet until that fateful night in Mentor.

We've been married for 18 years, have 3 teenage kids (Ace, Chloe, and Calvin), 3 dogs, and live in Mentor. Our lives are very active with year-round soccer, indoor/ outdoor track, and cross country.

I am an IT Leader at Progressive Insurance and worked within the company for nearly 28 years. Being with such a large company has enabled me to have many career changes, experiences, and opportunities.
