

Hi, I'm Emily!

E

is the first letter of my name and my husband's, Eugene (Gene). We switched it up for our 3 boys to the letter A: Aaron (28), Avery (24), and Alex (23). The dog is Duke.

M

Marriage - We've been married 29 years. We celebrate 30 years in 2025....AND he retires. Me? I've got about 7 -10 more years to go.....

I

I am the Director of Human Resources at Laketran.

L

Leadership Lake County, class of 2024 is where I met Ali Wilson and Juliana Petti. Need I say more?

Y

You never know what color I might add to my gray hair! I prefer pink, blue, and purple. Why? Because it's fun!

G

Grandchildren? Not yet.....but I can't wait for that stage of my life!

I

I enjoy reading, doing puzzles, and cooking. I started going to the gym a few months ago, so I guess I'll add that to the list.

L

Lead foot is NOT a word to describe me. I actually don't like to drive. I mean, I do, because I need to go places. But I'm the happiest passenger princess on earth....

L

Left - I'm left-handed and have a lazy left eye. If my eye bothers you, just look at my right eye. (It doesn't bother me, I've had it all my life!)

I

I can't wait to meet everyone, push up my sleeves and get to work with WRJSL!

A

Akron is my hometown; I moved to Cleveland to go to college at CWRU.

M

Much - I didn't grow up with many resources. I am blessed to be in a position to be able to give back to my community. I didn't have that as a role model, but I want to be that as a role model.
