

The page features decorative leaf patterns at the top and bottom. The top pattern consists of several large, stylized leaves with detailed vein structures, rendered in a light blue and purple color palette. The bottom pattern is similar, with leaves of varying sizes and orientations, also in the same color scheme. The background is a textured, watercolor-style wash of purple and blue hues.

## TARA BURGETT

I was born at Lake East Hospital in Painesville, the only child of Don & Esther Baumgartner. My parents owned an excavating and construction company. Fun fact, I learned to operate a backhoe and bulldozer before I could drive a car.

I married my husband Toby in 2020 and we live in a log cabin in the middle of the woods in Harpersfield Twp., Ashtabula County with our three English Bulldogs. I don't have any children, but my husband has two adult daughters from a previous marriage, Ashley & Robbie, and from them, we have four wonderful granddaughters that we love very much and take every opportunity to spoil.

I've worked for the City of Painesville for almost seven years and I am the Economic Development Administrator there. My husband also works for the City as the Administrative Lieutenant at the Police Department.

I enjoy reading, traveling, antiquing, cooking, and spending time with my granddaughters.
